ERRATA

To Vol. XXX, No. 2 (April–June 1969)

Due to a change in printers, two authors' corrections were omitted.

Constance I. Smith, "Ophites and Fathers," pp. 249–50:
p. 250, line 14: after "descent," insert . . . "was for the souls of the disciples; these will experience the same stages that Christ himself experienced, that is descent" . . .

Désirée Park, "Locke and Berkeley on the Molyneux Problem," pp. 253–60: p. 254, line 14: for "bigness," read "bignes *sic*,"; n. 1, lines 2–3 should read: . . . "was called to my attention by Professor Raymond Klibansky who discovered it," . . .; n. 1, line 10: for "Bibliotheque," read "Bibliothèque"; n. 1, lines 13–14 should read: "of this firm's importance during the period, see R. Klibansky's Preface to his edition of *John Locke, Epistola de Tolerantia*, trans. by J. W. Gough, Oxford, 1968,"; n. 1, line 19: after "*Some Familiar Letters*," add "London, 1708,"; p. 256, line 12 from bottom should read . . . "sight alone does not follow. The problem remains, and" . . .; p. 257, n. 4, line 2: for "Von Senden," read "von Senden"; p. 259, line 13: for "results," read "result"; p. 260: last line should read: "Loyola College, Montréal."
